

MOT301 Assessment Statement 2017

Transition

Year : 13

Course : Mot301

Ms J Swinden

Total Credits : 41

This course aims to offer students the chance to learn how to repair and maintain motorbikes and push bikes. It contains a mixture of level 2 and 3 credits and is for students who are interested in the mechanical aspects of how engines work. Units may be added to this course throughout the year and some units may not be offered. This is due to the nature of the project undertaken.

No	Standard Number	Version	Level	Credits	Lit / Num	Full Title	Method of Assessment	Assessment Opportunities Offered	Approximate Date	Grade	Teacher Signature
1	21671	1	2	4		Carry out general engineering tasks in the motor industry	Assignment	1	1/11/2017
