

# *2017 Course Outline MAT103*

Week	Term One	Term Two	Term Three	Term Four
1	AS1.10 Statistics	Numeracy	Numeracy	Numeracy / AS1.1 Number Reassessment
2				
3				
4				
5				
6	AS1.1 Number	Numeracy	Numeracy	
7				
8				
9				
10				
11				

Note: This is a guide only and may change throughout the year

## **MAT103**

### **Assessments**

#### **Internally Assessed Standards**

Achievement Standards 1.1, 1.10 and Unit Standards 26623, 26626 and 26628 are internally assessed standards. The assessment of these standards is final, i.e. they will not be reassessed either during the year or in the examinations at the end of the year. All students must be able to attend at the time of the final assessment. Reassessment of any standard will be at the discretion of the coordinating teacher for MAT103.

#### **Missed Assessments**

If absent for an assessment, please refer to the "Procedures for assessment for National Qualifications Student guidelines."

### **Calculators**

Students must have a calculator for this course and it is recommended they purchase a graphics calculator. NZQA has stated that students with graphics calculators have a huge advantage in NCEA.

### **Revision Classes**

These will be arranged later in the year. All teachers are willing to give extra help to those who ask, so when you are lost please **deal with this problem** by requesting assistance!!!

### **Classes for 2018**

Students will be considered and placed in the class most appropriate for them. This will be based on results and performance during this year.
