**MOT301 Assessment Statement 2018**

Year : 13

Course : Mot301

Mr C Swallow

Total Credits : 20

This course aims to offer students the chance to learn how to repair and maintain motorbikes. It is for students who are interested in the mechanical aspects of how engines work. There will also be a focus on health and safety. Units may be changed as the course progresses to reflect the needs and interests of the students.
